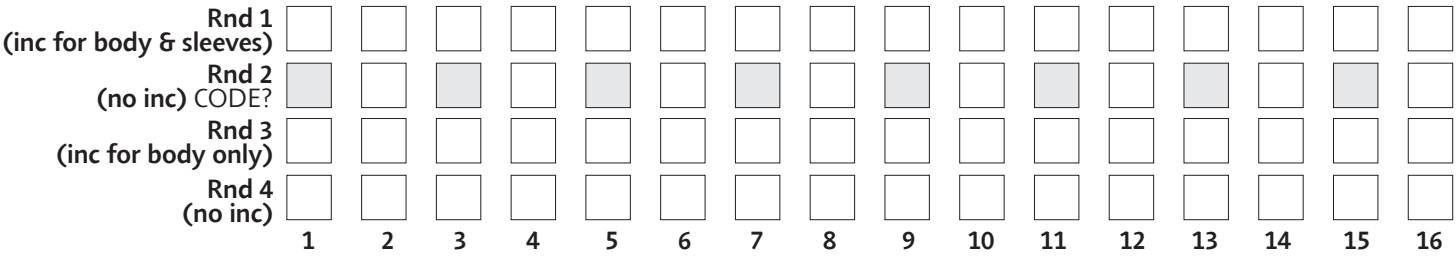
Purl Code Cheat Sheet

By Aurora Talks Knit

HOW MUCH DO YOU HAVE TO SAY?

If you are a knitter of few words, then you can code every OTHER round 2 during the Raglan increases, as indicated by grey box. If you feel compelled to write a novel, then code on EVERY Round 2 of the raglan increases.

Use this handy round checker to keep track of the "repeat last 4 rounds". Draw an "X" through any boxes you won't need!



Sketch out your morse code message with the graph paper. Leave a blank line between your lines of text and use that to mark off the letters you code as you go.
